Our School uses the Activity Scheduler from rSchoolToday®. Here are some features you can benefit from:

1. "Notify Me" - Set up email or text messages for reminders & changes.
2. Select Calendar categories
3. Jump to any month
4. Jump to any date
5. Calendar Search
6. Home Games show in **Bold**
7. Bus Times on Mouse-over
8. Get the latest schedules including bus times. Select schedule(s), then **View**.
9. Click any event for more details including:
10. Interactive Google Maps
11. Promote the event to Social Media sites

**Viewing Schedules (#8 above):**

Note: If you view a schedule and it doesn't open, it's because of a pop-up blocker. If this happens, typically there is an icon in the upper right showing that a pop-up is being blocked. Clicking it will give you a choice to "Always Allow."
