HOSA is led under Ms. Miller and Mrs. Pratt. If you have any questions prior to the meeting, you may contact them. HOSA is an organization for students of many interests. A misconception that many people hold of HOSA would be that it is only for students interested in careers in the medical field; however, students who are interested in debate, math, or forensic science can participate in HOSA as well. HOSA can help a person develop their leadership and communication skills. There is a wide range of HOSA events to participate in as well, so anyone is sure to find something they would like to compete in.

Meals on Wheels is a program in our community that delivers meals to elderly residents who have signed up to receive them. Volunteers from area churches and organizations come to the school and pick up two middle or high

school students each weekday to help with delivery around 11:10. It usually takes between 40-60 minutes to deliver the meals. If you are interested and available to help with Meals on Wheels this year, please stop by the office to pick up a form. This is a great opportunity for service so please consider helping!

Beresford High School Web Page: Be sure to check our web page periodically for important dates, information about upcoming events, and other information pertinent to your high school career!

Cell Phone Reminder: Cell phones are not allowed in the classrooms or library (e.g. this includes listening to music). They need to be “out of sight and out of mind” during the day. If you are an individual that must have “tunes” during the day - run them through the iPad (as allowed by your teachers). Cell phones may be used in the hallways (e.g. between classes) and during lunch.
