Girls' Basketball: Any girls interested in playing basketball need to attend a short meeting **TODAY** immediately after school in Ms. Graber's room.

Boys' Golf: All boys who are interested in participating in boys golf next fall: we will be having a meeting **TODAY** (May 24th) in Mr. Fujimoto's room right after school at 3:20 PM.

Boys' Basketball: All boys in grades 6-12 that are planning on or interested in attending the summer basketball workouts need to meet in Mr. Fujimoto's room at 3:40 PM **TODAY** (May 24th). The meeting is not mandatory, but we highly encourage all boys that are planning on attending the summer workouts to attend this meeting.

Football: There will be a football meeting in Mr. DeVries' classroom **Thursday, May 25** during advisory for all boys in grades 6-11 that are interested in or planning on playing JH or Varsity football next Fall.

Library: All library books should have been returned on Friday. All books need to be turned in by checkout time (May 26) or you will be charged for the missing book. If you have questions or need an extension on your current book please stop in and see me. Thank you!!!

Umpires Needed: The Beresford Baseball/Softball Association (BBSA) is looking for umpires for the youth ball season. Baseball: plate ump-\$25 per game and bases-\$15 per game. Softball plate-\$20 and bases-\$10. Contact Brent palmer if interested: brent.palmer@k12.sd.us

16U Girls' Softball: The 16U girls' softball team is short players and is looking for any girls 14-18 that would like to join us. Please contact Gary Deen at gdfast69@yahoo.com or Brent Palmer.

Summer Conditioning Program: The Beresford Schools have been working in cooperation with Coach Mark Roozen who has experience working as a strength and conditioning coach in the NFL and who is assisted by Beresford High School Alum Kyle McKelvey to develop a summer conditioning program that will help develop all

participant's strength, coordination, flexibility, and mobility. This program will start shortly after school is out in May and will continue until the beginning of August. Three different classes will be offered in the community this summer if numbers demand:

1. High School/Middle School Sessions
2. Elementary Sessions (Jr. Level)
3. Adult Boot camp

Please see the brochure on the high school web page for more details.

Guidance Office News:

- Attending college in Minnesota? Make sure you fill out your reciprocity form for reduced tuition! Application is located in the Guidance Office.
- USD Beacom School of Business Summer Accounting Institute: July 9-13, 2017. Want to learn about the accounting profession while earning credit at the same time? This five-day institute is available for sophomores and juniors who have an interest in this career. For more information contact erin.cornelsen@usd.edu. The deadline is May 15th.
- The Last day to enroll for summer dual credit college courses is May 5th. This is ONLY for current JUNIORS. Please see Mrs. Pratt for an application and a list of available courses.

 - A participant in any SD High School Activity Association sanctioned event
 - Applications are available at <http://www.sdfufoundation.org>
- STI
 - Architectural Engineering, Civil Engineering, Construction Management, Electrician, HVAC, Landscape, Land Surveying, Plumbing etc.
 - See me if you have any questions and for an application.

Important Reminders:

Coffee and Pop:

- Due to the number of spills and stains we have been working to remove, please remember that these outside beverages are **not** permitted. If you arrive to class with these items, you will need to throw it away. If you are late because of this, you have earned a tardy.
 - Signage and trashcans will be placed at our main entrance to remind all of this expectation.
- Seniors - do not bring outside food and beverage into the building from lunch.
- Water is allowed (not the colored or flavored stuff) as long as it is in a container we can see through.
- Gatorades and other non-water drinks from the lobby vending machines should be consumed in the lobby and not make it to the classroom.

Winter Survival Kit:

- With the winter weather upon us, please be sure to have a survival kit in your car. There is nothing like spending a night in a ditch and not having the right materials with you.

Doors:

- Please do not prop doors open at any time. Propped doors allow mice and other unwanted creatures to enter the building.

Lockers:

- Jammed/set lockers create a problem with the internal mechanisms. If you set your locker and damage is done, you will be responsible for the upkeep (\$35 fee for parts and labor). In short, avoid setting your locker.

Beresford High School Web Page: Be sure to check our web page periodically for important dates, information about upcoming events, and other information pertinent to your high school career!

Cell Phone Reminder: Cell phones are not allowed in the classrooms or library (e.g. this includes listening to music). They need to be “out of sight and out of mind” during the day. If you are an individual that must have “tunes” during the day - run them through the iPad (as allowed by your teachers). Cell phones may be used in the hallways (e.g. between classes) and during lunch.
