

FEEDING[®]
SOUTH DAKOTA
BackPack Program

BackPack Program

Beresford Faith in Action funds a BackPack Program in the Beresford Elementary School that runs through the entire school year. We pleased to announce we are expanding the program to the middle school. The program consists of sending nutritious food items home every Friday (ex: applesauce, pudding cups, juice boxes, etc.) with the student.

There are NO INCOME GUIDELINES required to participate – anyone is welcome. If you would like your child to take part in this program, please send your request back to the middle school office. Please fill out the bottom portion of this form and either drop it off or mail to the middle school office (Beresford Middle School, attn: Backpack Program, 205 W. Maple St., Beresford SD 57004)

Packs will be placed in the student's backpack every Friday unless the school is notified to stop doing so. You may sign up for this program at any time. Please have your registration in by Friday to be added to the program the following Friday.

If there are specific questions, regarding the Beresford BackPack Program or Feeding South Dakota, please contact Nancy Swanstrom (957-4461) or Randa Bickett (763-5597) for more information.

Thank you!
